Create Post

The create post tab is where you can set up the content you wish to upload and tweak them to your preference.

There are 2 options for creating a post. **Single** and **Bulk** uploads.

Creating content is an easy process. Type in the body of your content, select which networks it will be posted in, and set a schedule for when it goes up online.

Calendar

Plan ahead with a better view of your schedule in the calendar tab.

You can choose either monthly, weekly, or daily view.

Posts can also be created here by clicking on the date of your choice.

Please select a social profile

My Posts

Manage your posts with ease by going to the My Posts tab.

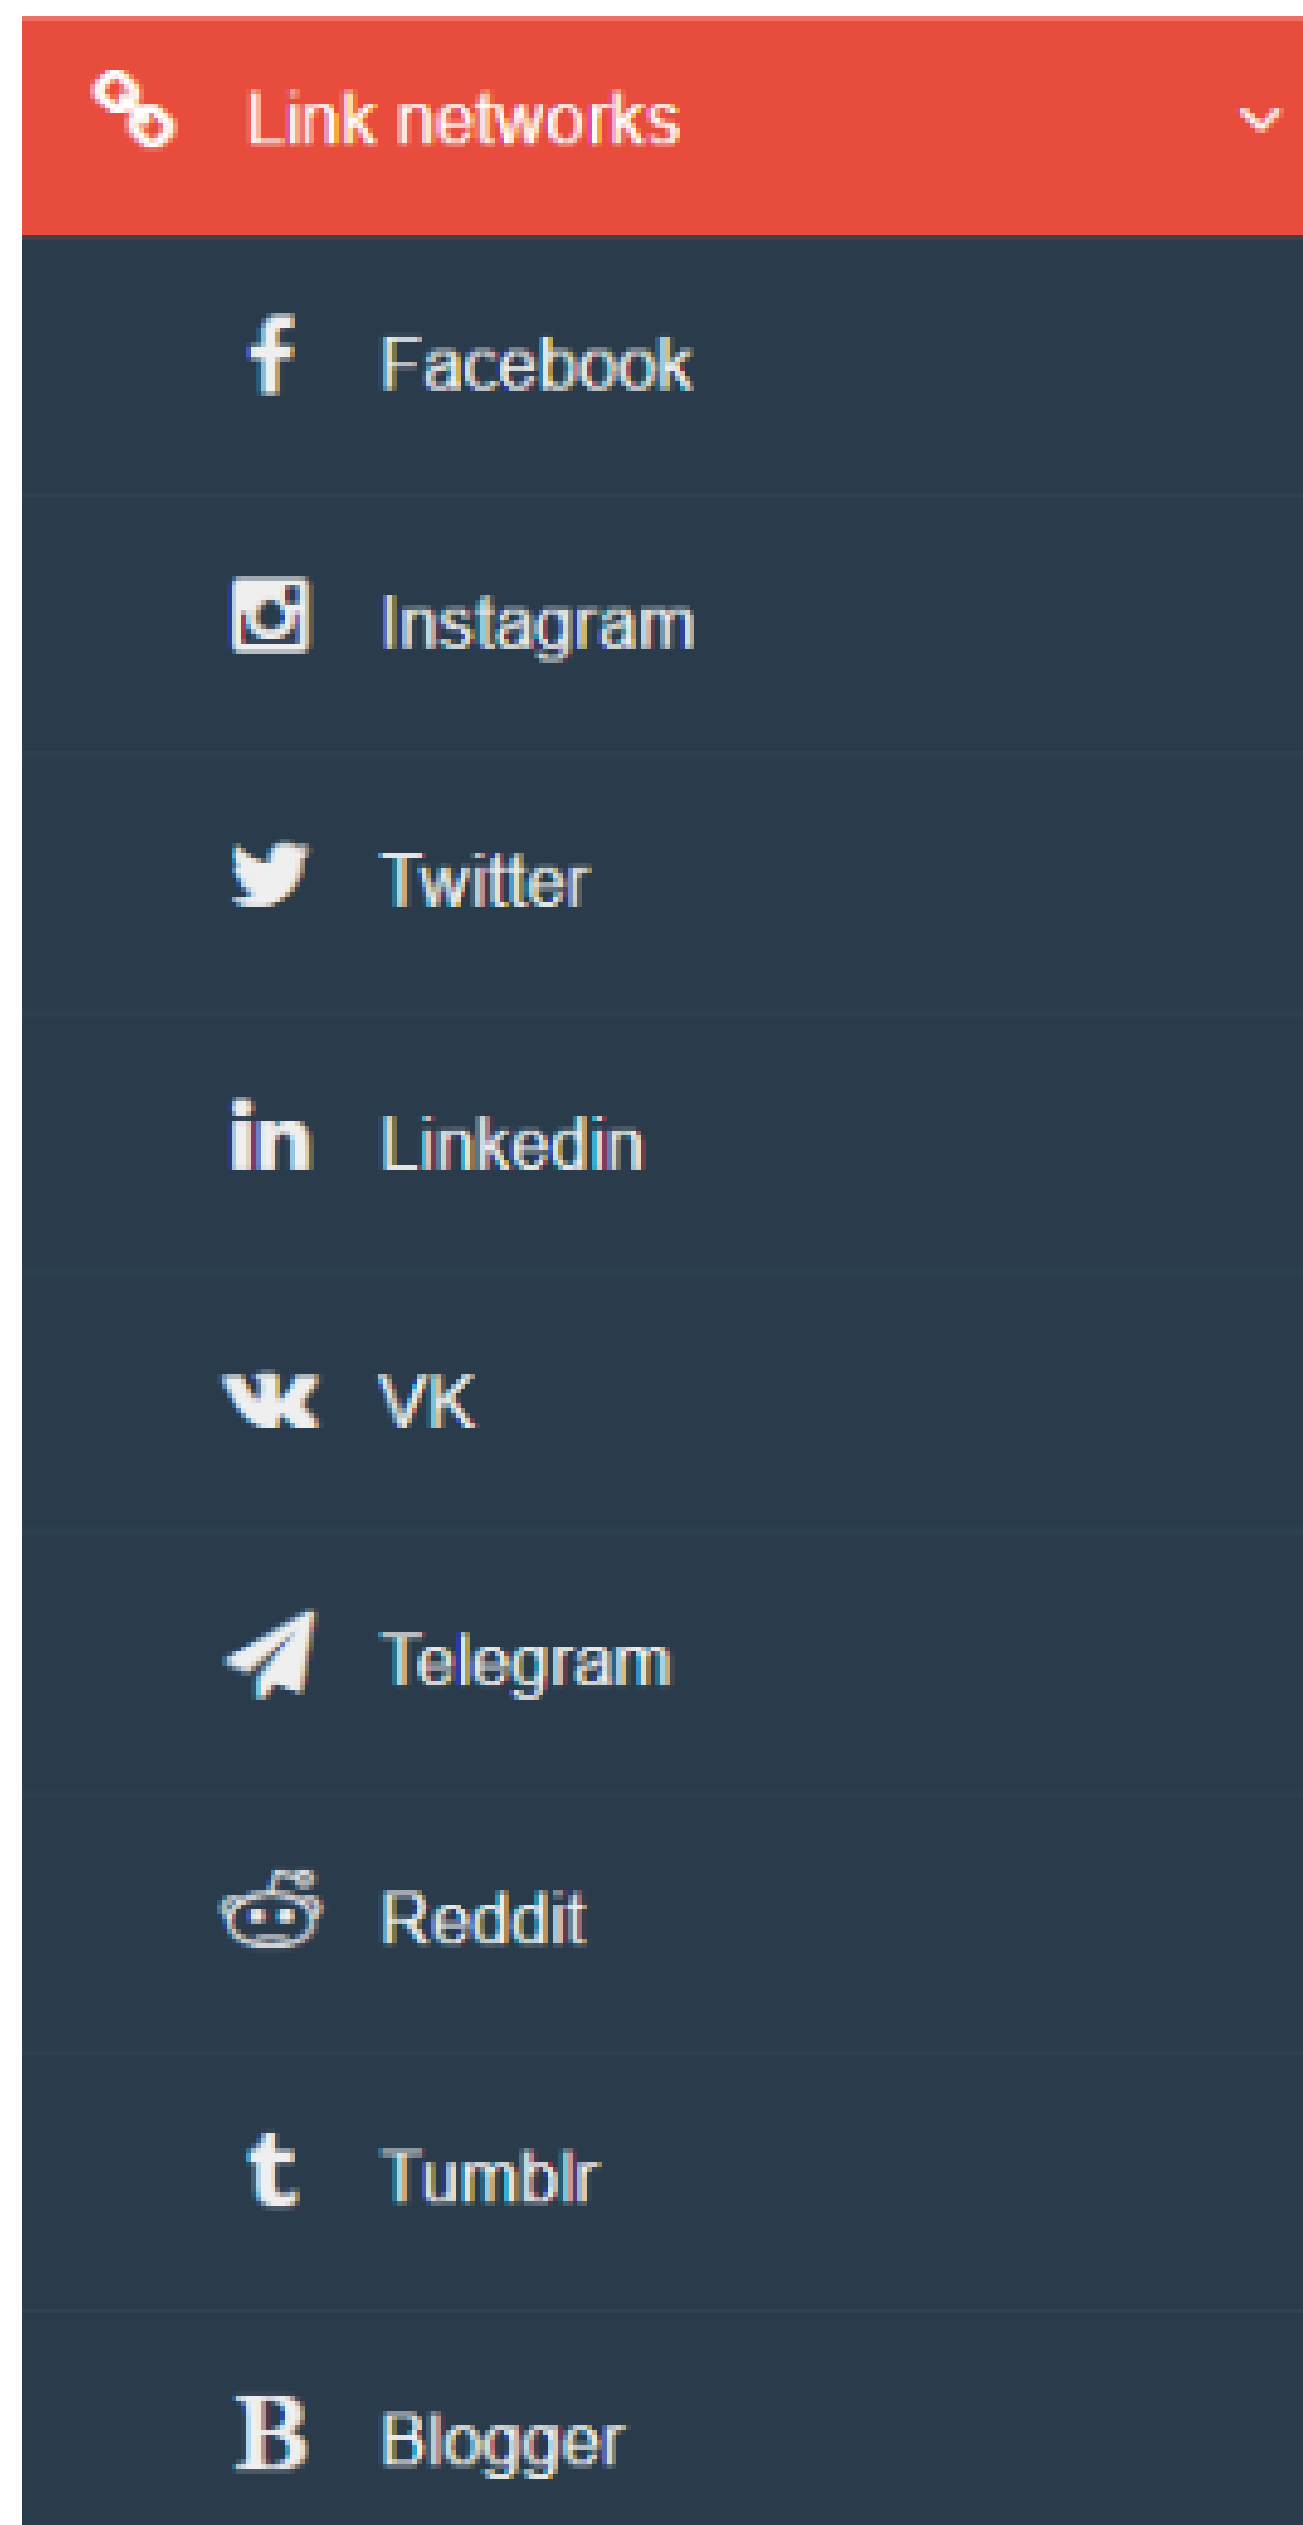

My Networks

The My Networks tab houses all social media platforms available on Slack Social. This is the tab where you can manage your social media accounts to be used in posting content.

Link Networks

Unlike the My Networks tab, Link Networks allows you to sync your social media accounts.

Upgrade

The upgrade tab houses 4 different subscription options for Slack Social. Free, Starter, Basic, and Professional.
